O loving Father, make our home  
A Nazareth where you may reign  
A holy family of love  
Where Jesus' manger lays

Help us to stay together, Lord,  
In joy and sorrow as we pray  
Teach us to see Christ in disguise  
Upon each other's face

Where two or more are gathered, you reside  
Mary, be our Mother  
Joseph, be our guide  
To make your Son the center of our lives  
Jesus, may your name be glorified

We gather round our table blessed  
To share the Heavenly Bread He gave  
To strengthen us that we might serve  
Our family with grace

To love each other as you love  
With humble hearts and patient faith  
And to forgive each other's faults  
As Jesus Christ forgave

Help us to take whatever you give  
And give whatever you take from us  
With smiles upon our faces  
As we place our trust in you
