I thirst not for water, I thirst for belief,  
I thirst for Your gaze to wash over me.  
I'm lonely and broken, I'm weary, forsaken,  
Why have You abandoned me?

[Chorus:]

I thirst for Your hunger  
I thirst for Your love  
I thirst for Your body to drink of my blood  
I thirst for repentance  
I thirst for belief  
I thirst for You  
To come

Let me drink of Your tears  
Tears of Your soul  
Nothing else brings relief  
And You know  
I'm crying from the cross  
I will not come down  
I'd do it all over again so that You could be in me

[Chorus: x2]

I thirst for Your hunger  
I thirst for Your love  
I thirst for Your body to drink of my blood  
I thirst for repentance  
I thirst for belief  
I thirst for You  
To come

Come be my light to the poor  
Come and carry me I cannot go alone  
They don't know me, they don't want me  
Will You come?  
I'd want to enter and grant salvation to their souls

[Chorus: x2]

I thirst for Your hunger  
I thirst for Your love  
I thirst for Your body to drink of my blood

I thirst for repentance  
I thirst for belief  
I thirst for You  
To come

All who labor and are burden come to me  
Drink the living water flowing  
Come to me come come come
