I don't know what to say to you, Baby,  
As I hold you in my arms.  
I have not the voice of heaven  
Worthy to sing for my Savior.  
But the words don't matter to you, Baby,  
So here's the story of my life.  
These are the secrets of my heart.  
This is your lullaby.

How beautiful it is to be trusted by you  
So weak you are, but so much weaker am I  
I will never leave you alone  
I will not let you fall down  
Now I know, Baby, that you need me by your side.

And when I tell you that I love you  
Baby, just close your eyes and sleep  
I am rocking you in my soul's embrace  
Sweet dreams, Baby Jesus  
I will hold you forever by my side  
I will sing to you a lullaby

Your eyes look at me each time for the first time  
Gazing at me with an innocence that takes away my  
pain  
If I could only love you more  
If I could only give back to you  
If I could only love you more  
And give back all that you gave to me
