I will meet you at the table
I will meet you in His heart
In the company of angels
In the place where all things start
We receive each other's presence
We are all made one in Him
Though I cannot see your face
I will see you in the Eucharist

Come and meet me at the table
Come and meet me in His heart
We'll be singing with the angels
Each man playing his own part
In the symphony of praises
We will join our song with His
Though I cannot hear your voice
We'll be speaking in the Eucharist

Do not be afraid
Do not be afraid
Do not be afraid

When we gather at the table
We are closer than our breath
Even nearer than the angels
When we touch His very flesh
Dwelling in each other's presence
I will hold you close inside
Every soul in heaven and earth
Now is present in the Body of Christ

Do not be afraid
Do not be afraid
Do not be afraid

We are pilgrims on a journey
We are headed for the throne
Carried on the wings of angels
Oh we do not walk alone
All our prayers we lay before Him
And His grace will pave the way

To lead us to our one true home
Where we'll see each other face to face

And do not be afraid
Do not be afraid
Do not be afraid

I will meet you
I will hear you
I will hold you
I will receive you
I will see you in the Eucharist...
