You are all I am not
You are all that I am
Break down these walls
Take all my brokenness
Rebuild me to shelter your name

[Chorus:]
You are all I am not
You are all that I am
Jesus, break down these walls
Take all my brokenness
Rebuild me to shelter your name

Help me forgive myself
Help me to lift the cross
I've laid upon my soul
Help me to look at myself
Through your eyes
To see all I am
And still be satisfied
Help me forgive myself

[Chorus]
You are all I am not
You are all that I am
Jesus, break down these walls
Take all my brokenness
Rebuild me to shelter your name

Within my secrets, Jesus
There you reside
And I need you to reconcile
To renew all that's inside
For if I want to love you
Then with your love, Jesus
I must love myself humbly, too

[Chorus]
You are all I am not
You are all that I am
Jesus, break down these walls

Take all my brokenness
Rebuild me to shelter your name
