Jesus, help us to spread your fragrance everywhere we go.

Flood our souls with your spirit and life.

Penetrate and possess our whole being so utterly

That our lives may only be a radiance of you.

Shine through us

And be so in us

That every soul we meet

May feel your presence in our soul

Let them look up and see no longer us but only Jesus.

Stay with us, then we shall begin to shine as you shine,

So to shine as to be a light to others.

The light, O Jesus, will be all from you, none from us.

It will be you shining on others through us

Let us preach you without preaching, not by words but by example.

Let us praise you by shining on those around us,

By the catching force, the sympathetic influence of what we do,

The evident fullness of the love our hearts bear to you.
