Not to the learned nor to the kings,
But to the little ones you show the mysteries
I rejoice when I am weak,
For you will give me all I need
Though I cannot fly, you carry me to heaven.

You have not called me to be successful
You have called me to be faithful

I can do small things
Small things with great love
That is enough
I can do small things
Small things with great love
And make my life something beautiful for God.

One drop in the ocean,
One petal in the garden,
One hidden sacrifice,
One reason for my life,
One dance before your throne,
One child to give a home,
One step towards Calvary,
One touch of empathy

You have not called me to be successful
You have called me to be faithful

I can do small things
Small things with great love
That is enough
I can do small things
Small things with great love
And make my life something beautiful for God.

Yesterday is gone,
Tomorrow has not yet come.
We have only today
Let us begin

I can do small things

Small things with great love
I can do small things
Small things with great love
That is enough
I can do small things
Small things with great love
That is enough
I can do small things
Small things with great love
And make my life something beautiful for God.

Be faithful in small things,
For in them our strength lies.
Be faithful in small things,
For in them our strength lies.
Be faithful in small things,
For in them our strength lies.
Be faithful in small things,
For in them our strength lies.
