"True Love"

Visit "[True Love](#)" on MotoLyrics.com

I am looking for the meaning of life
I am longing to give my own
Though the world tries to teach me the truth of love
My Jesus is truth alone

I am searching the night for a lover
Who will take me just as I am
I find on the cross my Love, crucified,
The one who will take my hand

I want my love to be beautiful
I want to be who you made me to be
A love given up for all
Only the cross reveals true love
The cross reveals true beauty

Now I can't find the words but I'm grateful
So I'll speak with the voice of my eyes
I am willing to lay down my very life
I do not fear sacrifice

Only you can show me what is pure and holy
Only you have known me
And shown me what is love
