oooooooooooooooooooo oooooooooo

Everybody's got somethin' they had to leave behind.
One regret from yesterday that just seems to grow with
time.

There's no use lookin back or wonderin',
How it should've been now or might've been
Oh, this I know but still I can't find ways to let you go.

chorus:

I never had a dream come true
'Til the day that I found you.
Even though I pretend that I've moved on
You'll always be my baby.
I never found the words to say.
You're the one I think about each day.
And I know no matter where life takes me to
A part of me will always be with you.
Yeah.

Somewhere in my memory,
I've lost all sense of time.
And tomorrow could never be,
Cause yesterday is all that fills my mind
There's no use looking back or wondering.(or
wondering)
How it should've been now or might've been
Oh, this I know but still I can't find ways to let you go.

chorus:

I never had a dream come true

'Til the day that I found you.
Even though I pretend that I've moved on
You'll always be my baby.
I never found the words to say.
You're the one I think about each day
And I know no matter where life takes me to,
A part of me will always be...

You'll always be the dream that fills my head.
Yes you will. Say you will. You know you will baby.
You'll always be the one I know I'll never forget.

There's no use lookin' back or wonderin',
'Cause love is a strange and funny thing.
No matter how I try and try,
I just can't say goodbye.
No. No. No. No.

Chorus:

I never had a dream come true
'Til the day that I found you.
Even though I pretend that I've moved on
You'll always be my baby.
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be...
A part of me will always be with you.

Ooh.
