**(feat. Day26, Donnie J.)**

*[Aubrey]*

Ooh  
Ooh

*[DK]*

Ah, ah, ah...

*[Day26 (Q)]*

Ooh...  
(Yeah, yeah, yeah)

*[D. Woods (Day26)]*

Ah, ah, ah, ah  
(Ah...)

*[Aundrea]*

Ooh  
Yeah, yeah, here we go

*[Aundrea]*

I know we got everybody waiting  
To see just how we do  
I'm tellin' you we going hard  
Mix it up with some old school and a little-little new

*[Aubrey]*

We'll make you jump right out of your seat  
Make you lose your mind when you feel that beat  
It's just begun  
And we ain't going nowhere, going nowhere, oh

*[Day26 & DK]*

Ooh, this ain't nothing like you heard before  
We're gonna have you wanting more  
Like it is when you're with your girl  
Or ladies with your man  
This is our chance to make you move  
Ooh, we'll be right there, right there

*[Willie (Q)]*

I know you feel it (Feel it)  
And it's making you not wanna stop

*[Mike]*

You might as well lose yourself  
Let it go, cause we gonna just keep giving you what you  
want

*[Robert]*

This is not a game, turn the music up and let it play our  
song

And we ain't goin' nowhere, goin' nowhere

*[Day26 & DK]*

Ooh, this ain't nothing like you heard before  
We're gonna have you wanting more  
Like it is when you're with your girl  
Or ladies with your man  
This is our chance to make you move  
Ooh, we'll be right there, right there

Ooh, this ain't nothing like you heard before  
We're gonna have you wanting more  
Like it is when you're with your girl  
Or ladies with your man  
This is our chance to make you move  
Ooh, we'll be right there, right there

*[Day26 & Dawn]*

Hold up, we about to make it official  
Put your drinks in the air and take 'em straight to the  
dance floor

*[Shannon & Q]*

Lose yourself and let the music control you  
You owe yourself to let go  
We've got everything you need, what you're looking for

*[Donnie (Mike)]*

You don't have to look no more  
(You don't have to look no more)

*[Day26 & DK]*

Ooh, this ain't nothing like you heard before  
We're gonna have you wanting more  
Like it is when you're with your girl  
Or ladies with your man  
This is our chance to make you move  
Ooh, we'll be right there, right there
