Even though you wanted her to be me
Everything you wanted was in me... you see
That she can't love you (she can't love you)
She can't love you (she can't love you)
Like I love you

Verse 1:

I see you over there with your new girlfriend
I bet you she can't put it down like I can
But you don't wanna let me go
Don't wanna let me know
Don't wanna let your feelings show

Now you see me over here with my new boyfriend
And he knows how to love me like a real man
But I don't wanna let you go
Don't wanna let you know
Don't wanna let my feelings show
Even though...

Hook:

Even though you wanted her to be me (I know you
wanted her to be me)
Everything you wanted was in me... you see
That she can't love you (she can't love you)
She can't love you (she can't love you)
Like I love you

Even though you wanted her to be me (I know you
wanted her to be me)
Everything you wanted was in me... you see
That she can't love you (she can't love you)
She can't love you (she can't love you)
Like I love you

Verse2:

I can see it in your eyes there's somethin missing
Maybe it's somethin in the love that she has given
But you don't wanna let me know
Don't wanna let me go
Don't wanna let your feelings show

Now heaven knows I'm still in love with my man
But he can't ever love me the way you can
That's why I'm never gonna let you go
I'm about to let you know
I'm about to let my feelings show
Even though

Hook:

Even though you wanted her to be me (I know you
wanted her to be me)
Everything you wanted was in me... you see
That she can't love you (she can't love you)
She can't love you (she can't love you)
Like I love you

Even though you wanted her to be me (I know you
wanted her to be me)
Everything you wanted was in me... you see
That she can't love you (she can't love you)
She can't love you (she can't love you)
Like I love you

Who am I kiddin?
I'm missin the life we shared
And I think I need you near
I can see it in your eyes
It aint no surprise
That she can't love you like I
And I'm not about to let you slip away
