Do, Do you got a first aid kit handy?
Do, Do you know how to patch up a wound?
Tell me,
Are-are-are-are you?
Are you patient,
Understanding?
Cause I might need some time to clear the hole in my
heart and I
Fabolous
do do you know that this is what i do.
im so good at what i do.
Shouldn't say it but i do.

and the only way i manage to walk away with damage
is when they lick me till it hurts i call that brain damage
baby

I've tried every remedy
And nothing seems to work for me

Baby, (baby)
This situation's driving me crazy
And I really wanna be your lady
But the one before you left me so
Damaged, damaged
Damaged, damaged
I thought that I should let you know
That my heart is
Damaged, damaged
So damaged (so damaged)
And you can blame the one before
So how you gonna fix it, fix it, fix it?
(Baby, I gotta know)
How you gonna fix it, fix it, fix it?
(What you are gonna do, baby?)
How you gonna fix it, fix it, fix it?
(Baby, I gotta know)
How you gonna fix it, fix it, fix it?
(What you are gonna do?)

Do, Do you got a first aid kit handy?

Do, Do you know how to patch up a wound?
Tell me,
Are-are-are-are you?
Are you patient,
Understanding?
'Cause I might need some time to clear the hole in my
heart and I
You try to gain my trust
Talking is not enough
Actions speak louder than words
You gotta show me something
My heart is missing some pieces
I need this puzzle put together again

Damaged, damaged
Damaged, damaged
I thought that I should let you know
That my heart is
Damaged, damaged
So damaged (so damaged)
And you can blame the one before
