Do, Do you got a first aid kit handy?  
Do, Do you know how to patch up a wound?  
Tell me,  
Are-are-are-are you?  
Are you patient,  
Understanding?  
Cause I might need some time to clear the hole in my  
heart and I

[Fabolous:]  
Do do you know that this is what I do.  
I'm so good at what I do.  
You can say it but I do.

And the only way I manage to walk away with damage  
is when they lick me till it hurts and I call that brain  
damage, baby

[Danity Kane:]  
I've tried every remedy  
And nothing seems to work for me

Baby, (baby)  
This situation's driving me crazy  
And I really wanna be your lady  
But the one before you left me so  
Damaged, damaged  
Damaged, damaged  
I thought that I should let you know  
That my heart is  
Damaged, damaged  
So damaged (so damaged)  
And you can blame the one before  
So how you gonna fix it, fix it, fix it?  
(Baby, I gotta know)  
How you gonna fix it, fix it, fix it?  
(What you are gonna do, baby?)  
How you gonna fix it, fix it, fix it?  
(Baby, I gotta know)  
How you gonna fix it, fix it, fix it?  
(What you are gonna do?)

Do, Do you got a first aid kit handy?  
Do, Do you know how to patch up a wound?  
Tell me,  
Are-are-are-are you?  
Are you patient,  
Understanding?  
'Cause I might need some time to clear the hole in my  
heart and I  
You try to gain my trust  
Talking is not enough  
Actions speak louder than words  
You gotta show me something  
My heart is missing some pieces  
I need this puzzle put together again

Damaged, damaged  
Damaged, damaged  
I thought that I should let you know  
That my heart is  
Damaged, damaged  
So damaged (so damaged)  
And you can blame the one before

[Fabolous:]  
Shawty I can fix it fix it.  
Having you working like new again  
Having talking about you again  
Just like me, give you a 10  
Take you when that Louis Vuitton, LV like boo come  
one  
I had them broke ass bitchez  
I said, what that is, that you got on

Baby I get money so,  
I'll pay with that damages  
You know we'll be hurting them  
Should 've brought them bandages  
Yes when you fly like we is  
It has disadvantages  
My standard is higher than them hillz billz in like Los  
Angeles

[Danity Kane:]  
Can you fix my H E A R T  
cuz it me, -  
Can you fix my H E A R T  
Can you fix my H E A R T  
tell me are you up for the challenge  
Cuz my heart is  
Damaged, damaged

Damaged, damaged  
I thought that I should let you know  
That my heart is  
Damaged, damaged  
So damaged (so damaged)  
And you can blame the one before

Damaged, damaged  
Damaged, damaged (holla at me)  
I thought that I should let you know  
That my heart is  
Damaged, damaged  
So damaged (so damaged)  
And you can blame the one before

So how you gonna fix it, fix it, fix it (it's that type of  
pain)  
How you gonna fix it, fix it, fix it (this feels deep inside)  
How you gonna fix it, fix it, fix it (it's that type of pain,  
makes you pray, makes you cry)  
but it's gonna be allright one day, it twists your passed  
My heart is damaged, damaged, damaged  
(sometimes you have to go through the pain)
