[Verse 1:]

I'm not conceited, I'm just telling the truth
You need a woman in your life that's gon' be equal to
you
You need a woman in your life that hold it down for you
Just like you got your own hustle, yeah, I'm hustling, too
Just let me school you
Introduce you to new things that you ain't used to
I'm not them chicks you used to have up in your stable
Your entourage ain't complete without me, boo
And that's real, too

[Chorus:]

'Cause I'm flawless
I'll be rocking guiseppes up in the cutlass
plus them ysl chicks wish they could touch this
Fellas dishin out the Louis cause they love this
Cause they want this
'Cause I'm flawless
I'll be rocking guiseppes up in the cutlass
plus them ysl chicks wish they could touch this
Fellas dishin out the Louis cause they love this
Cause they want this

[Verse 2:]

You aint never seen a woman a like me
I know you be the captain but i be the chief
You lookin at a diamond dat will make your life
complete
If you let me I could be the chick that answers your
team
Let me floss you
Diamond bezzles on your Cartier watch boo
My Jimmy Chu's to match your Gucci shades too
Layin on the yacht just because we want to
Picture that boo

[Chorus x2]

[Bridge:]

Look fly if you gon step to me

Dont think one drink gon get to me
(Cause i'm flawless)
i'm too fly please dont be too cheap
You need me to be complete

[Chorus: Bridge comes in]
