Intro
-(Aubrey)-
{spoken}
Yeah
You know what baby?
No Matter What I go through...
No matter what I do...
You're always there...
To hold me down...
And that's real

Verse 1
-(Aundrea)-
You tell me there's nothing better than me
So you draft me like I'm top pick of the league.
Then you gave me what I need,
So fly it was like you planted a seed.

Verse 2
-(D. Woods)-
(Oh) Even when there is trouble
(Oh) You handle it before I know
(Oh) So I'm letting you know,
It's beautiful
Us together who can ask for more?

B-Section
-(Shannon)-
Anytime, any place
I know you're down.
You're the type I can trust to be around.
-(Aundrea)-
The way you hear me and feel me,
Got me lovin you, that much more really.
-(D. Woods)-
I, don't want to see myself,
With anyone else cause it's the way feel.
Got me so caught up,

I'm stuck on you.
So real I know I got the truth.

Chorus

-(Aubrey & Dawn Lead Vocals)-
I'm the only one written on your list.
You and me so legitimate.
Everything is about your chick,
That's why we're so exclusive.
You hold me, baby you hold me down
You hold me, baby you hold me down
You hold me, baby you hold me down
You hold me, baby you hold me down
-(Shannon & Aubrey)-
Hold me, yes you hold me down
(Spoken) I know you got me)
Hold me, yes you hold me down
Hold me, yes you hold me down
(Spoken) You know I got you too)
No matter what you're told, you hold me down
(Spoken) Aundrea)

Verse 3

-(Aundrea)-
So deep that I ain't worried.
Thinkin baby, you're out there runnin the streets, no.
You blend with me so perfectly,
That's why you got me convinced you were made for
me.

Verse 4

-(Dawn)-
(Oh) You're everything I've been missin.
(Oh) With you there's no second guessin.
(Oh) You with me is a blessin,
That I can't and just wont let go of.
