### Verse 1 (Dawn)

When you say that you were leavin'  
I didn't understand the reason  
And all I wanted was to keep you here  
Cause you know I really need you here  
Ooh  
And you know I ain't been sleepin'  
Cause I really can't believe it  
Can't believe that you would walk right out that door  
And say that you don't want me no more

### Pre-Chorus (D. Woods)

I was out of my mind  
I was sick of being tied up  
Didn't spend time at home  
And now I wish I  
Was the one that you was calling  
Baby won't you pick up the phone  
Cause I wish

### Chorus

I wish I wish I wish  
I wish I wish I wish  
I wish that I was still your girl (wish I was still your girl...  
still your girl)  
I miss your lips your touch  
Your kiss I wish  
I wish I wish  
That I was still your girl  
I need to have you here with me  
I wish I was still your girl

### Verse 2 (Aubrey)

It ain't like I didn't know it  
I just didn't take the time to show it  
And now everyday your on my mind  
I wish that I could press rewind  
Ooooh  
Can you take me back I'm hopeless

Cause this time I wouldn't blow it  
Boy I feel like I'm about to go insane

I wish I had my baby

Pre-Chorus (Aundrea)

I was out of my mind  
I was sick of being tied up  
Didn't spend time at home  
And now I wish I  
I was the one that you was calling  
So baby pick up the phone  
Cause I

Chorus

I wish I wish I wish  
I wish I wish I wish  
I wish that I was still your girl (I wish that I was still your  
girl... I wish that I was still your girl)  
I miss your lips your touch  
Your kiss I wish  
I wish I wish  
That I was still your girl  
I need to have you here with me  
I wish I was still your girl

Bridge (Group-Dawn Lead)

Always finding numbers in my two-way  
Going out clubbin'  
Staying out late at night (stayin' out late at night)  
What!  
Trying to play a little late  
Sorry for running game  
Now I'm wishing I could make it right (Cause I know)  
I really need you in my life (really need your love...  
need you here with me)  
Ooh boy  
Now I gotta pay the price  
And I
