[Aundrea:]

Waiting to see the light,
Been waiting all my life,
Show me a way,
Won't you show me a way,

[Dawn:]

I wanna come out of the dark,
But breaking away is so hard,
Show me a way,
Won't you show me a way,

[Aubrey:]

Show me which way to go,
Can't do this by myself,
Can't do this oh oh no
Don't know how I should play,
The cards that I've been dealt.
Can't do this, anybody.

[Chorus:]

Is anybody listening,
Can anybody answer my prayers,
Please say yes,
Does anybody feel the same.
And is there anybody who cares,
Life's unfair, its so unfair.

[Aubrey:]

I want something more than this,
I've given all I can give,
Show me the way,
Won't you show me the way,

[D. Woods:]

I just wanna feel I belong,
I just need the strength to be strong,

Show me a way,
Won't you show me a way.

[Shannon:]

Show me which way to go,
Can't do this all alone,
I can't do this all alone.
Don't feel like I know how,
To make it on my own.

[Chorus:]

Is anybody listening,
Can anybody answer my prayers,
Please say yes,
Does anybody feel the same.
And is there anybody who cares,
Life's unfair, its so unfair.

[Dawn:]

Is anybody listening,
Oh oh oh oh oh oh oh oh,
Is anybody listening,
Oh oh oh oh oh oh oh oh,
Can you hear me,
Show me,
Is anybody listening

[Chorus:]

Is anybody listening,
Can anybody answer my prayers,
Please say yes,
Does anybody feel the same.
And is there anybody who cares,
Life's unfair, its so unfair. [2X]
