Ahhhh

[Aubrey]

I'm so hot when I walk I leave smoke in my tracks
Don't leave your man with me cuz he wont come back
I'm dangerous
(Its when the lights go out)

[Aundrea]

I'm a girl that's not afraid of the dark
When the lights go out I get what I want
So easy
(When the lights go out)

[Dawn]

I don't know what you want to do
But I want to get you up in my room
I like (your swagger)

Gotta (have it)
Gotta have it
So wont you come along

[Chorus-Group]

Turn off my lights
Abd see if u wanna get into my dark side
Turn off my lights
And see if u wanna get into my dark side
Turn off my lights
And see if you wanna get into my dark side
You aint neva, ever,
Had a, nothing better,
When the lights go out...

[Dawn]

I'm a take out my bag and see what I pull out
I got a lot tricks, so let me start out
When mamma,
When the lights go out

[Shannon]

I'm a change your big boy status

Break all your good habits
Mama gone make you an addict
When the lights go out

[D. Woods]

I'm gonna make you a new man
Have you talking to all your friends
Baby you aint seen nothing
When the lights go out

[Aubrey]

I'm the type of girl that always get what I want
So be sure before you come up in the dark
Cuz you about to see
When the lights go out

[D.Woods]

I don't know what you want to do
But I want to get you up in my room
I like (your swagger)

Gotta (have it)
Gotta have it
So wont you come along

(You aint gotta be afraid of the dark)

[Chorus-Group]

Turn off my lights
Abd see if you wanna get into my dark side
Turn off my lights
And see if you wanna get into my dark side
Turn off my lights
And see if you wanna get into my dark side
You aint neva, ever,
Had a, nothing better,
When the lights go out...

[Bridge]

You aint never ever, never ever
Seen a girl like me
D-a-n-i-t-y k-a-n-e.
Ahhh.

You aint ever had nothing boy
You aint never had nothing boy.
So why don't you come and turn the lights out.

[Dawn]

I don't know what you want to do
But I want to get you up in my room

I like (your swagger)

Gotta (have it)

Gotta have it

So wont you come along

(You aint gotta be afraid of the dark)

[Chorus-Group]

Turn off my lights

Abd see if u wanna get into my dark side

Turn off my lights

And see if u wanna get into my dark side

Turn off my lights

And see if you wanna get into my dark side

You aint neva, ever,

Had a, nothing better,

When the lights go out...
