[Chorus]

Ooh la la la la la  
My skin is gettin wet  
My clothes is comin off  
Ooh la la la la la  
Too many on the floor  
The club is gettin hot [2x]

[Verse 1]

He wants to step but  
I'm not impressed but  
I took his hand and I led him to the dance floor  
Now we're movin  
We're really movin  
I'm feelin him and it's kinda confusin

[Hook]

I didn't know this boy could dance  
But the way he took my body turned me on  
Didn't come to find romance  
And even if I did there was no where to be alone

[Chorus][2x]

[Verse 2]

The club is jumpin  
Heat is pumpin  
We're gettin close and I'm tryna do somethin  
I'm gettin high and  
It's not surprisin  
Room is packed  
Body temperatures risin

[Hook]

Damn I can hardly move  
There's no where for me to be but right next to you  
Feelin like I'm in the mood  
But we can't even talk what am I to do

[Chorus][2x]

The club is gettin hot tonight  
Body's sweatin left to right  
We're movin and the feelin's right  
Dancin till the early light  
So come on and hold me close

Wanna be alone with you  
Boy that's what I wanna do  
Think I'm comin home with you  
But I can't do that  
My oh my  
Ooh la la

[Chorus 2x]
