Verse 1

We see you taking looks at us and we know you like
what you see and its fine cause it 5 of us and you cant
choose what you like even tho we are girls we can put
you in a diffrent world so im in to it if diffrents what you
need

Verse 2

Pick me ask us girls what you need cause im good
down to the t from the atl sweet sexy classy

Verse 3

If shiny what you like then maybe i can be your type
and you think im what you like then im down for it you
can treat me till your vision goes blurry

Chorus (group)

Your like a kid at the candy store you dont know what
you came here for you can only have 1 but your wantin
more if you know what you lookin for pick me
wooooooh pick me wooooooh come quickly wooooooh i
got what your lookin for dont be confused you gotta
pick me

Verse 4

Im innocent but not sweet and if sexy what you see
then im playing it but sexy isnt me without my edge
and even though im 5'3 im sittin in the driver seat im
not ridin cause im drivin to where i want to be

Verse 5

im a little bit more spicy you dont always get what you
see i got a attudide thats keeps me going on and on on
on on on on

Group- (And if you dont respect me)

then you really need to know that this aint what you
need and when your touchin me in places that you mite
see

Chorus (group)

Your like a kid at the candy store you dont know what

you came here for you can only have 1 but your wantin
more if you know what your lookin for pick me
wooooooh pick me wooooooh come quickly wooooooh i
got what your lookin for dont be confused you gotta
pick me(x2)

Group
Dont be confused you gotta

Group
Dont be confused you gotta

Group
Dont be confused you gotta

Group
Dont be confused you gotta

Chours (group)
Your like a kid at the candy store you dont know what
you came here you can only have 1 but your wantin if
you know what your lookin for pick me wooooooh pick
me wooooooh come quickly wooooooh i got what your
lookin dont be confused you goota pick me(x2)
