[Verse 1 - Aundrea]

Lately, I've been tryna fight whatever's pulling us under  
It's got a hold and really making me wonder  
What it takes to get through  
I gotta stick with you, my baby  
Baby tell me:  
Maybe I'm foolishly overreacting  
But being without you I can't imagine  
It's just to close to the heart and  
And I won't stand it if were broken apart

[Chorus - Group]

Do you hear me?  
Baby ya gotta believe in the things that make you & me  
win together  
Don't you throw in the towel  
I'm keeping my promise to you I got ya back now  
When the chips are down  
It seems like it's so hard for you to move ahead  
Just know that I am by your side  
There aint no ifs, buts, or maybes,  
I'm gonna stay down and ride for you baby

[Verse 2 - Dawn]

We've been cutting it close with the backwards &  
forwards  
It's rocking the boat; we gotta get control of this  
Let's take it back to three years ago  
When you said that we could make it through whatever,  
ever  
And to me it sounded like you meant forever, ever  
Leaving was not an option, baby, never, never  
Now don't you believe in a love that's worth a fight  
In you is everything that I'm missing  
So give us a chance

[Chorus - Group] (Dawn ad-lib)

Do you hear me?  
Baby ya gotta believe in the things that make you & me  
win together  
(Everything that make us win baby)  
Don't you throw in the towel (Don't you throw in the

towel )  
I'm keeping my promise to you I got ya back now  
(Ohhh when the chips are down yea yeah)  
When the chips are down  
It seems like it's so hard for you to move ahead  
(When nobody else can stay, I will babe)  
Just know that I am by your side  
There aint no ifs, buts, or maybes, (Yes I will)  
I'm gonna stay down and ride for you baby (Ride for  
you)  
(Yea, Yeah)  
[Verse 3 - D. Woods]  
Don't you dare tell me we gotta let it go...  
We been on top for too long just to let it go under  
I don't wanna hear that  
I just can't hear that  
And know  
Wherever you wanna take me  
I'll go  
I been with you for too long to start over with another  
I know that you hear me  
Just tell me you hear me

[Chorus - Group] (D.Woods ad-lib)  
Do you hear me?  
Baby ya gotta believe in the things that make you & me  
win together  
Don't you throw in the towel  
I'm keeping my promise to you I got ya back now  
When the chips are down  
It seems like it's so hard for you to move ahead  
Just know that I am by your side  
There aint no ifs, buts, or maybes,  
I'm gonna stay down and ride for you baby

[Outro: D. Woods ad-libs]
