[Intro - Aubrey]

Oh boy

Baby...

Oh no no no, touch me like that

Ohh my god, baby, no, no, no, no, no

We can't

[Verse 1 - Aundrea]

Your so, you just don't know

What I'd do to you

If the situation was different

[Dawn]

It's beat and go (go)

We'd be on this floor, it'd be on for sure

It's too bad that we can't

[Pre-chorus - Aubrey (Group)]

You make me wanna do, something I never do (never do)

Wanna go there with you (with you)

All the way there (there),

Touch me there (there),

Take me there with you (there with you)

Boy I'm scared of you

Nothing compares to you

I'm not prepared to do it

[Chorus - D. Woods (Group)]

So I can't love you (right now)

Like I want to (right now)

We just can't do it

And it's taking everything in me

I want to (right now)

No I want to (right now)

It's this one rule

(And it's keeping me from giving you my love)

[Verse 2 - Dawn]

I must admit

Baby ooh your kiss

It's taking my mind

To places that my body's never seen before

Make me want it more
[Aundrea]
I know you're hopin' that I bend a little
Give a little more (yeah)

[Pre-chorus - D. Woods (Group)]
You make me wanna do, something I never do (never do)
Wanna go there with you (with you)
All the way there (there), touch me there (there), take me there with you (there with you)
Boy I'm scared of you
Nothing compares to you
I'm prepared to do it

[Chorus - Aubrey (Group)]
So I can't love you (right now)
Like I want to (right now)
We just can't do it
And it's taking everything in me
I want you (right now)
No I want to (right now)
But it's this one rule {Hey}
(And it's keeping me from giving you my love)

[Bridge - Shannon (Dawn)]
Wanna go all the way
We gotta play it safe
Hey, Hey
We ain't doin' nothing if you don't, don't, don't, don't know (my love)
(So you just can't have my love)

[Chorus - Aundrea (Group)]
So I can't love you (right now)
Like I want to (right now)
We just can't do it
And it's taking everything in me
Know that I want to (right now)
Like I love you (right now)
I want to
(And it's keeping me from giving you my love)

[Outro - Dawn (spoken)]
Ooh right there right there
Touch me there, right there
Ooh there, there
Right there, right there
Ooh, no
Right there, right there
No, right there, right there, right there
