Danity Kane - She Cant Love You

Even though you wanted her to be me
Everything you wanted wasn't me
You see,
That She cant love you
(She can't love you) [x4]
Like I love you [x2]

(Dawn)
I see you over there
With your new girlfriend (Girlfriend)
I bet you she can't
Put it down like I can (I Can)
But you don't wanna let me go (Go)
Don't wanna let me know (Know)
Don't wanna let your feelings show (Feelings Show)

(Aubrey)
Now you see me over here
With my new boyfriend (Boyfriend)
And he knows how
To love me like a real man (real man)
But I don't wanna
Let you go (go)
Don't wanna let you know (Know)
Don't wanna let my feelings show (Even Though)

[Chorus: x2]
Even though you wanted her to be me
(I know you wanted her to be me)
Everything you wanted wasn't me
You see,
That she cant love you
(She can't love you) [x4]
Like I love you [x2]

(Shannon)
I can see it in your eyes
There's somethin' Missin' (Missin')
Maybe it's somethin' in the love
That she has given (Given)

But you don't wanna let me know (Know)
Don't wanna let me go (Go)
Don't wanna let your feelings show (Feelings Show)

(DWoods)
Heaven knows
I'm still In love with my man (My Man)
But he can never love me
The way you can (You Can)
That's why I'm never gonna let you go (Go)
I'm about to let you know (Know)
I'm about to let my feelings show

Even though you wanted her to be me

(Even though you wanted her to be)
Everything you wanted wasn't me
(wasn't me)
You see,
That she cant love you
(She can't love you) [x4]
Like I love you [x2]
(I can love you, like I love you)

Even though you wanted her to be me
(I know you wanted her to be me)
Everything you wanted wasn't me
You see,
That she cant love you
(She can't love you) [x4]
Like I love you [x2]

(Aundrea & Dawn)
Who am I kiddin'
I'm missing the life we shared
And I think I need you near
But I can see it in your eyes
It ain't no surprise

(Aundrea)
That she cant love you like I
And I'm not about to let you slip away
Like I love you [x2]
(I love you)

Even though you wanted her to be me
(Even though you wanted)
Everything you wanted wasn't me
You see,
That she cant love you
(She can't love you) [x4]

Like I love you [x2]

Even though you wanted her to be me
(I know you wanted her to be me)
Everything you wanted wasn't me
You see,
That she cant love you
(She can't love you) [x4]
Like I love you [x2]
