verse 1:

in the back of my mind, ill always, try  
to be with you, no matter the time, i know  
i cant, be sure, of all the things i see all that you really  
love me

chorus:

what if i could stop time, im not afraid, i can touch the  
sky  
when if feels, right, well lose sight, the hand of fall  
behind

verse 2:

i dont care, where you are, ill come, far  
just to see you, even if, you call, i will go to the end,  
so you can wait for me, just incase you,love, meeeeeee

chorus:

what if i could stop time, im not afraid, i can touch the  
sky  
when if feels, right, well lose sight, the hand of fall  
behind

hook:

i need you, please dont goooooo nooooo  
the pain, my babe, just to call, with you

chorus:

what if i could stop time, im not afraid, i can touch the  
sky  
when if feels, right, well lose sight, the hand of fall  
behind
