I'm a sucka love
Smooth slick talk
Anything he wants
I could provide it, I'm a rider
Fulfill your desire
Tell you baby what you want uh uh
I could be that if you want uh uh
I could model that if you want uh uh
This ain't it for them scary chicks
I handle my businesses
Say I don't know much but I know that
Tonight I don't want to be alone
Be alone, be alone, be alone, hey hey
Say I gotta make some contact
With you one on one

And everybody knows that I'm...
I'm addicted to kissing and hugging
Touching and rubbing
I'm a sucka for love[3x]
If you're addicted to kissing and hugging
Touching and rubbing
You're a sucka for love[3]

I do my best to keep you here all night long
I'm pulling out all my tricks
Cause I don't ever want you going nowhere else
for your fix
If you feeling it let me know oh oh oh
You're energy is so strong

It's our destiny
Don't look back
I want it like that at at
I don't know much but I know that
Tonight I don't want to be alone
Be alone, be alone, be alone, hey hey
Say I gotta make some contact
With you one on one

And everybody knows that I'm...
I'm addicted to kissing and hugging

Touching and rubbing
I'm a sucka for love
If you're addicted to kissing and hugging
Touching and rubbing
You're a sucka for love

What you waiting for
Baby move a little bit closer to me
You know you're gonna
I know you wanna
So why don't you quit playing
I want to see what you working with

You know I'm addicted to...
I'm addicted to kissing and hugging
Touching and rubbing
I'm a sucka for love
If you're addicted to kissing and hugging
Touching and rubbing
You're a sucka for love
