Yeah

Can we take it further oh?

Uh-uh

[Group:]

Baby can we take it further

Ooh, can we take it further?

[Shannon:]

Cause you got my body wanting

And I'm all wrapped up, I can't deny it

[Group:]

Baby can we take it further

Ooh, can we take it further?

[Shannon (Dawn):]

I've been waiting for you to show me

(show me that you want it from me)

[Aubrey:]

Ooh, I

Touching you're body's got me feeling

So high

Baby, you've got my hypnotized

[D. Woods:]

And you know I like it

No one else can love me better

(You give me)

Everything I need

[Pre-Hook (Dawn):]

(When we touch)

(I can feel the rush)

And it takes me on a journey

Satisfies my yearning

Something that I can't replace  
(In your eyes, I can read your mind)  
More than just infatuation  
(this is something real!)  
And I wanna tell you....
