he was about 5'9  
dark hair with darker brown eyes  
snuck up on me from behind  
never saw it comin  
never saw it comin

he didnt waste no time  
breaking inside my mind  
suddenly i felt butterflies  
i never felt this  
i couldnt help it

he touched me  
in a way i've never been touched before  
left an impact that i just cant ignore  
like a thief in the night he was out the door  
but he left his fingerprints on my heart

somebody find u  
catch him for me  
will somebody find u  
theres been a robbery  
he took my love and left me here in the dark  
and he left his fingerprints on my heart

somebody find u fingerprints on my heart  
somebody find u fingerprints on my heart (catch him  
for me)  
can somebody find u (he took my love and left me here  
in the dark)  
somebody find u (he left his fingerprints on my heart)

case of mistaken identity  
thought he was the one but he proved to be  
just a pretender i fear  
he had me open  
he had me open

he touched me  
in a way i've never been touched before

left an impact that i just cant ignore

like a thief in the night he was out the door  
but he left his fingerprints on my heart

somebody find u  
catch him for me  
will somebody find u  
theres been a robbery  
he took my love and left me here in the dark  
and he left his fingerprints on my heart

somebody find u fingerprints on my heart  
somebody find u fingerprints on my heart  
(catch him for me)  
can somebody find u  
he took my love and left me here in the dark  
somebody find u  
he left his fingerprints on my heart

dont know what i did to make u go  
boy u disappeared like a criminal  
the only evidence i had to go on  
are ur fingerprints ur fingerprints

dont know what i did to make you leave  
but u stole my heart and got away from me  
the only thing left from u that i can keep  
are ur fingerprints ur fingerprints

somebody find u  
catch him for me  
will somebody find u  
theres been a robbery  
he took my love and left me here in the dark  
and he left his fingerprints on my heart
