Ooh, yeah, yeah, here we go  
I know we got everybody waitin'  
To see just how we do  
I'm tellin' you we goin' hard  
Mix it up, put some old school and a little new

We'll make you jump right out of your seat  
Makin' you lose your mind when you feel that beat  
It's just begun  
Now we ain't goin' no where, goin' no where, oh

Ooh, this ain't nothin' like you had before  
We gotta have you wantin' more  
Like it is when you with your girl and ladies with your  
man  
This is the hard chance to make your move  
Ooh, we'll be right there, right there

And when you feel that  
And it's makin' you not wanna stop  
You might as well lose yourself, let it go  
'Cuz they just gonna keep givin' you what you want

And this is not a game  
Turn the music up and let it play a song  
And we ain't goin' no where, goin' no where

Ooh, this ain't nothin' like you had before  
We gotta have you wantin' more  
Like it is when you with your girl and ladies with your  
man  
This is the hard chance to make your move  
Ooh, we'll be right there, right there

Ooh, this ain't nothin' like you had before  
We gotta have you wantin' more  
Like it is when you with your girl and ladies with your  
man  
This is the hard chance to make your move  
Ooh, we'll be right there, right there

Hold up, we about to make this official

Put your drinks in the air  
And take it straight to the dance floor

Lose yourself and let the music control you  
You owe yourself to let it go  
We got everythin' you need what you lookin' for  
You don't have to look no more

Ooh, this ain't nothin' like you had before  
We gotta have you wantin' more  
Like it is when you with your girl and ladies with your  
man  
This is the hard chance to make your move  
Ooh, we'll be right there, right there
