When the red light comes on, I transform
When the red light comes on, I transform

Look in my eyes covered in Maybelline
Looking like something fresh out of a magazine
I can be part of your deepest fantasies
YouÃ¢â€Œ™ re the detective, come solve my mystery

Some say that love is all that IÃ¢â€Œ™ m missing
Some call it Jezebel, I call it attention
But what they donÃ¢â€Œ™ t know they canÃ¢â€Œ™ t
even imagine
Say, I donÃ¢â€Œ™ t have self esteem but it's my
passion

Maybe IÃ¢â€Œ™ m just a bad girl
Maybe IÃ¢â€Œ™ m just a bad girl
Maybe IÃ¢â€Œ™ m just a bad girl
Maybe IÃ¢â€Œ™ m just a bad girl, a bad girl

I can be your addiction
If you wanna get hooked on me
I, I can be your addiction
If you wanna get hooked on me

Maybe IÃ¢â€Œ™ m just a bad girl
Maybe IÃ¢â€Œ™ m just a bad girl
Maybe IÃ¢â€Œ™ m just a bad girl
Maybe IÃ¢â€Œ™ m just a bad girl, a bad girl

When the red light comes on, I transform
When the red light comes on, I transform
When the red light comes on, I transform

Something about me has got you hypnotized
Examine my body like youÃ¢â€Œ™ re the science guy
Watching my every move, you anticipate
What youÃ¢â€Œ™ re thinking about, boy, I can re-create

Some say that love is all that IÃ¢â€Œ™ m missing
Some call it Jezebel, I call it attention
But what they donÃ¢â€Œ™ t know they canÃ¢â€Œ™ t

even imagine

Say, I don't have self esteem but it's my
passion

Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl, a bad girl

I hope you looking for a B A D C H I C
Looking so sexy, make 'em pay me
She not me, 'cuz there just one me
I'm the M to the I double S E Y

Lights come on I tran-transform
Gimme that, baby come, come on
I could do it all night to the break of dawn
On, on, and on, I keep on going

They call me a Jezebel
Cause I freaks, I does it well
Got extensions in my hair
Bad girls, is ya'll up in here

Tonight we gon' just let it do what it do
I can flip this pretty young thing on you
I ain't looking for attention I just want you
Lemme be your addiction, I can be that too

I can be your addiction
If you wanna get hooked on me
I, I can be your addiction
If you wanna get hooked on me

Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl, a bad girl

When the red light comes on, I transform
When the red light comes on, I transform
When the red light comes on, I transform

From a caterpillar to a butterfly
I know I got something that you gonna like
Don't be afraid, I won't let you down
I'm the one that'll make you come around

Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl

Maybe I'm just a bad girl, a bad girl

I can be your addiction
If you wanna get hooked on me
I, I can be your addiction
If you wanna get hooked on me

Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl
Maybe I'm just a bad girl, a bad girl

When the red light comes on, I transform
When the red light comes on, I transform
When the red light comes on, I transform
