Get your motor running
Head out on the highway
Lookin' for adventure
In whatever comes our way

Yeah, darlin', gonna make it happen
Take the world in a love embrace
Fire all of your guns at once and
Explode into space

I like smoke and lightning
Heavy metal thunder
Racin' with the wind
And the feeling that I'm under

Yeah, darlin', gonna make it happen
Take the world in a love embrace
Fire all of your guns at once and
Explode into space

Like a true nature's child

We were born, born to be wild
We can climb so high
I never wanna die
Born to be wild
Born to be wild

Get your motor running
Head out on the highway
Lookin' for adventure
In whatever comes our way

Yeah, darlin', gonna make it happen
Take the world in a love embrace
Fire all of your guns at once and
Explode into space

Like a true nature's child
We were born, born to be wild
We can climb so high
I never wanna die

Born to be wild
Born to be wild
