"Don't Feel Like Crying"
Written by Abra Moore

Is that you?
Looks like you changed your ways again;
Is that you now?
It's funny how i can't remember.
I knew you better than that,
At least I thought i knew you than
What i know now.

CHORUS

It's not always a happy ending,
But hey here comes that rainy day again,
And hey look at me,
Don't feel like crying.
And hey hey here comes that rainy day again,
But hey look at me;
I don't feel like crying.

Who said love is a game?
And who said love can be gambled,
Gambled away?

Is this me now?
Looks like i changed my ways again;
Is this me now?
Funny how you can't remember.
You knew me better than that,
At least you thought you knew me than
What you know now.

It's not always a happy ending,
But hey here comes that rainy day again,
And hey look at me,
Don't feel like crying no more.
And hey hey here comes that rainy day again,
But hey look at me;
I don't feel like crying no more.

Look at me, Look at me, Look at me,

Look at me, Look at me, Look at me,
Look at me
