I'm so tired, of falling in love
I'm finding it easier, to fall out
I can't deny it, I feel it inside
I'll keep it's fire, oh you can't hide

Chorus:

I'm falling in love again
Ain't nothing I can do
Falling in love again
And this time it's with you
When I fall
It's always the same
And I'm so tired of playing this game

Been so long now
Since I gave up my heart
I've kept it locked down
I don't wanna get it harmed
So let me tell you know
I just wanna be sure that you won't hurt me
Can you promise me that

Chorus:

I'm falling in love again
Ain't nothing I can do
Falling in love again
And this time it's with you
When I fall
It's always the same
And I'm so tired of playing this game

You got to tell me
If you're gonna break my heart
Cos I don't wanna take the chance
And if it ain't true
It's all gonna be
It nothing but a poor romance
So give me that promise to hold on
And I'll never let you go
We gotta have something to go on
I'm letting you know now

Chorus:

I'm falling in love again

Ain't nothing I can do

Falling in love again girl

And this time it's with you

When I fall

It's always the same

And I'm so tired of playing this game

I'm falling in love again (repeate till fade)
