(Mike Noble/Michael Lunn/Danni Leigh)

We both agreed it'd be wise to be free  
Two weeks gone by and all I do is wonder why  
Maybe we were wrong  
'Cause here's what's been goin' on

Long empty nights, still hurtin'  
Alone, knowin' I want you  
Wastin' all this time apart  
Ain't worth it, tell the truth  
Feels so lonely  
How does it feel to you  
Do you miss me, too

Word all over town is you've been out but lookin' down  
Me, I'm doin' fine, except when you come to mind  
Every minute or so  
Baby, I can't let go

Long empty nights, still hurtin'  
Alone, knowin' I want you  
Wastin' all this time apart  
Ain't worth it, tell the truth  
Feels so lonely  
How does it feel to you  
Say you need me, too

Bring your sweet love back to me  
Baby, it's worth the wait  
I know how your kisses feel  
Please don't hesitate

Long empty nights, still hurtin'  
Alone, knowin' I want you  
Wastin' all this time apart  
Ain't worth it, tell the truth  
Feels so lonely  
How does it feel to you  
Say you need me, too  
Do you want me, too
