There used to be a greying tower alone on the sea
You, became the light on the dark side of me
Love remains, a drug that's the high and not the pill
But did you know that when it snows
My eyes become larger
And the light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the gray
Ooh, the more I get of you, the stranger it feels yeah
Now that your rose is in bloom
A light hits the gloom on the gray

There is so much a man can tell you
So much he can say
You remain my power, my pleasure, my pain
Baby, To me, you're like a growing
Addiction that I can't deny
Won't you tell me, is that healthy, baby?
But did you know that when it snows
My eyes become large
And the light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the gray
Ooh, the more I get of you, the stranger it feels yeah

Now that your rose is in bloom
A light hits the gloom on the gray

I've been kissed by a rose on the gray
I've been kissed by a rose on the gray
And if I should fall, will it all go away?

There is so much a man can tell you
So much he can say
You remain my power, my pleasure, my pain
Baby, To me, you're like a growing
Addiction that I can't deny
Won't you tell me, is that healthy, baby?
But did you know that when it snows
My eyes become larger
And the light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the gray
Ooh, the more I get of you, the stranger it feels yeah
Now that your rose is in bloom
A light hits the gloom on the gray

Now that your rose is in bloom...
A light hits the gloom
On the gray...
