Ol' Lonesome ain't so lonesome anymore
Kicked ol' heartache, tears, and trouble 'cross the floor
Phones are ringin', lovebirds singin'
Guys are beatin' down the door
Ol' Lonesome ain't so lonesome anymore

Oh yeah, you knocked me to my knees
But was strictly temporarily
While you and your friends were talkin'
I overheard you jokin'
Callin' me Ol' Lonesome
Well now, I ain't missin' no one

Ol' Lonesome ain't so lonesome anymore
Kicked ol' heartache, tears, and trouble 'cross the floor
Phones are ringin', lovebirds singin'
Guys are beatin' down the door
Ol' Lonesome ain't so lonesome anymore

I guess you thought you'd see me
Out of control completely
Teardrops streamin'
Boy, were you dreamin'

Ol' Lonesome ain't so lonesome anymore
Kicked ol' heartache, tears, and trouble 'cross the floor
Phones are ringin', lovebirds singin'
Guys are beatin' down the door
Ol' Lonesome ain't so lonesome anymore
Ol' Lonesome ain't so lonesome anymore
