I was walking with my baby  
walking with my girl  
I was walking with my girl  
walking with my baby  
I said baby baby maybe  
maybe maybe girl  
You would like to do the whirl  
I was talking to my honey  
talking really cool  
I was talking like a fool  
talking to my baby  
I said wouldn't it be funny  
Wouldn't it be cool  
To go swimming in the pool

Swimming in the pool  
Let's go swimming in the pool  
Let's go swimming in the water  
Let's go swimming in the pool

Must have been the angel Cupid  
Could have been the angel Jim  
Yes I guess it must be him  
Talking 'bout the angel Cupid  
Cupid really made me stupid  
Stupid so it must be him  
I forgot I couldn't swim

So I terrified my baby  
Guess it wasn't very cool  
Yes I made myself a fool  
Lying to my baby  
Someone should explain her maybe  
Now the story is getting cruel  
Why I drowned in the pool

Chorus
