mother liked her white wine
she'd have a glass or two
almost every single night
after her day was through

san se chardonnay chaible
pinot gris jiot
just to take the edge of
just to get the glow

you've got to take the edge off
if you wanna get the...

mother liked her white wines
she'd have a glass or three
we'd sat out on the screen porch
white winos mam and me

we'd talk about her childhood
recap my career
when we got to my father
that was when I'd switch to beer

we got to the old man
and I'd always switched to

mother liked her white wine
