Album: The Happy Days

It's dark in here,  
I'm all alone,  
I'm tired of being on my own.  
So I step outside,  
And see the day,  
Oh, now I'm happy,  
What a glorious day!

The sun is shining on my happy face,  
I'm overwhelmed by my Jesus's grace.  
I have no worries now, and from now on,  
I'm gonna show how happy I am.

It's cold in here,  
I feel so torn.  
I'm scared of being all alone.  
So I step outside,  
To seize the day.  
The warmth of the sun  
On my thankful face!

The sun is shining on my happy face,  
I'm overwhelmed by my Jesus's grace.  
I have no worries now, and from now on,  
I'm gonna show how happy I am.

It's beautiful,  
Now that I see you,  
You're wonderful,  
I want to be too!

The sun is shining on my happy face,  
I'm overwhelmed by my Jesus's grace.  
I have no worries now, and from now on,  
I'm gonna show how happy I am.  
How happy I am.  
How happy I am.  
How happy I am.  
How happy I am.
