"I'm Cryin"

I'm cryin' alone,
I'm cryin' alone,
I'm burstin' inside myself.

I'm rollin' along,
Flyin' solo,
I'm hurtin' inside myself.

Is there anyone out there?
It's so hard to grasp the truth
Inside my heart.

It's not fair.
There's no one out there.
It's crashin' around me, Lord.

It's not fair.
There's no one out there,
It's fallin' around me Lord.

Is there anyone out ther?
It's so hard to grasp the truth
Inside my heart

And no one knows or feels the pain
You feel.
No one knows these emotions are so real.

I'm cryin' alone.
