Album: The Happy Days

Though tough times will visit us,  
And death knocks on our door.  
We will fight for one and all,  
So that we can breathe once more,  
So that we can breathe once more.

We are troopers, we fight for love,  
Fighting death and chance.  
Troopers, who fight for life,  
Let's keep the peace and fight again.

Don't get used to happy endings,  
There's no guarantee  
That we will see another day.  
So smile again for me,  
So smile again for me.

We are the troopers, we fight for love,  
Fighting death and chance.  
Troopers, who fight for life.  
Let's keep the peace and fight again.  
Let's keep the peace and fight again.

Can you hear the cry I hear?  
Can you see the fallen tears.  
This is why we need to fight again.  
Troopers, troopers.

We are the troopers.  
We are the troopers.  
Troopers, troopers.

We are the troopers who fight for love,  
fighting death and chance.  
We are we troopers, we fight for life.  
Let's keep the peace and fight again.  
Let's keep the peace.....  
Let's keep the peace.....  
Le's keep the peace and fight again
