Album: The Happy Days

I could never live without you,
If tomorrow never comes,
I want you to know,
That I have always loved you.
I think your an angel, from above.

You are my everything,
You are the song I sing,
Though the stormes and rains will come,
I will always love you.

You were there when my tears made a river,
You were there in my hapiness.
You You mourned over all my loss,
And laugh when my life is blessed.

You are my everything,
You are the song I sing.
Though the storms and rains will come,
I will always love you.

Now that you are in heaven,
I can't see your face.
But I will always remember our love,
And your amazing grace.

You are my everything,
You are the song I sing,
Though the storms and rains will come,
I will always love you.
