All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

All I wanna do  
All I wanna do

Take a look inside my heart  
Tell me what you think you see  
I may not be the innocent girl  
That you wanted me to be

Some nights I just wanna lover  
Some nights I don't need a friend  
Some nights I just need somebody  
To hold me 'till the end because

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

Take a look inside my heart  
Tell me what you think you need  
You may not see the innocent girl  
That you keep inside your dreams, because

Some nights I just wanna lover  
Some nights I don't need a friend  
Some nights I just need somebody  
To hold on 'till the end because

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

Take a look inside my heart

All I wanna

Take a look inside my heart  
Tell me what you think you see  
I may not be the innocent girl  
That you wanted me to be

Some nights I just wanna lover  
Some nights I don't need a friend  
Some nights I just need somebody  
To hold on 'till the end because

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

All I wanna do, all I wanna do  
All I wanna do is touch you  
All I wanna do, all I wanna do

Take a look inside my heart  
Take a look inside my heart
