Brothers and sisters, yeah
Got no kicking like this, boy
Brothers and sisters
One, two, three, swing it

Talking 'bout A double T I T U D E
It's the groove that gets you next to me
When you're rocking and you're clocking
With a girl named D

Turn it up, the nasty beat
Get into it, move your feet
It's the fashion with attraction
The attitude so swing it for me

Attitude, just do it, do it
Do it like this attitude, attitude
Attitude, brothers and sisters
Here we go, here we go

I don't play no games
And don't do drugs, no
Don't do things
I will feel guilty for, no

I'm just into having a good time
You can keep that attitude
I'll keep mine

If you want to groove me
Brothers and sisters
Pick up on this
Show me your best
Try and pass the test

If you want to move me
Brothers and sisters
Pick up on this, play it cool
Do it smooth, yo, bust a move
Bothers and sisters

Attitude, brothers and sisters

Just do it with attitude
Attitude, brothers and sisters
One, two, one, two, here

Here is something to think about
I don't have time to scream or shout
I'm just telling you what to do
When you've lost your cool

Show them that you ain't no joke
Keep the faith and then you'll smoke them
On the positive tip, come on, girl
Now play

Groove, attitude, attitude
Brothers and sisters
Groove, here we go, groove
Groove, here we go, groove

Brothers and sisters
Groove, here we go, do it, groove
Groove, do it, groove, do it, do it

If you want to groove me
Brothers and sisters
Pick up on this

Show me your best
Show me you're the best
Try and pass the test

If you want to move me
Brothers and sisters
Pick up on this, play it cool
Do it smooth, yo, bust a move

Attitude, just do it, do it
Do it, do it like this, attitude
Attitude, brothers and sisters, attitude

It's time, time, time to get smooth
If you want to
Attitude it's the way you dress, smooth
Some people use it just to impress

Not me, I use it positively, smooth
To keep me moving to the master beat
It's time to break it down together, smooth

Moving your body, your feet
Or whatever if you want to

Do it with the attitude, smooth
Now it's time to get smooth

Do it like this, attitude
Do it, do it, do it
Just do it, do it, do it, do it
Attitude, attitude
Swing it, swing it, swing

If you want to move me
Brothers and sisters, yeah, yeah
Swing it, yeah, yeah, yeah, yeah
Swing it, hit me, yeah, yeah
Yeah, yeah, swing it

If you want to move me
Swing it, brothers and sisters
Swing it, hit me, yeah, yeah
Yeah, yeah, swing it, yeah, yeah
Swing it, swing it, swing, yeah, yeah

Attitude, pick up on this
Just do it with attitude
Attitude, pick up on this
Swing it, swing it, swing, attitude

Do it like, do it, do it like
Do it like this, attitude
Do it like, brothers and sisters
Swing it, swing it, swing

Do it, do it, do it like this attitude
Attitude, brothers and sisters
Attitude, attitude
