You better be nice, you better think twice  
You better be careful  
You better be nice, you better think twice  
You better be careful

Are you dreaming, I can see it in your eyes  
Something tells me you're about to say goodbye  
And I wonder, are you tired of my touch?  
Once you held me, now it doesn't mean as much

You don't love me like you used to love me, baby  
Body, soul and mind  
Hey, hey, hey  
Before you go throw it all away, take some advice

You better be nice, you better think twice  
You better be careful  
Good love is hard to find, I ain't lying  
You better be nice, you better think twice  
You better be careful  
'Cause if you lose my love, you'll be crying

If you go, look before you leap  
Here's a reason, love don't grow on trees  
Just remember, when I'm slipping through your hands  
It won't be easy to bring me back again

In a world filled with every known temptation  
You can pay the price  
Hey, hey, hey  
Before you go throw it all away, take some advice

You better be nice, you better think twice  
You better be careful  
Good love is hard to find, I ain't lying  
You better be nice, you better think twice  
You better be careful  
'Cause if you lose my love, you'll be crying

You better be nice, you better think twice  
You better be careful  
Good love is hard to find, I ain't lying

You better be nice, you better think twice  
You better be careful  
'Cause if you lose my love, you'll be crying

Ohh, just think about it  
Ooh, you better be careful  
Ohh, just think about it  
Ooh, yeah, aww, you better be careful  
Hey, yeah, whoo-oooh, ohh  
You better be

Doo-doo, doo-doo, doo-yeah  
Doo-doo, doo-doo, doo-yeah  
Doo-doo, doo-doo, doo-yeah  
Doo-doo, doo-doo, doo

You better be nice, you better think twice  
You better be careful  
Good love is hard to find, I ain't lying  
You better be nice, you better think twice  
You better be careful  
'Cause if you lose my love, you'll be crying

Oh, boy, you better look before you leap  
Look before you leap  
Doo-doo, doo-doo, doo-yeah  
Oh, oh, yeah

Doo-doo, doo-doo, doo-yeah  
Doo-doo, doo-doo, doo-yeah  
Doo-doo, doo-doo, doo-yeah  
Oh, yeah

You better be, better be, better be, better be careful  
Oh, oh, oh  
You better be nice, you better think twice  
You better be careful  
'Cause if you lose my love  
You better be, better be, better be, better be careful  
Oh, oh, oh

If you lose my love  
If you lose my love  
If you lose my love  
Hey, ohh
