But you ain't nothin' but a hound dog  
It gets me hype, baby  
B-baby, baby  
B-b-baby  
Don't stop till you get it right

My heart  
Is puttin' out a call to your heart  
To stop messin' around, you better start  
Givin' me all your love, it gets me hype

My heart  
Is puttin' out a call to your heart  
To stop messin' around, you better start  
Givin' me all your love, it gets me hype

Don't stop tell you get it right

Are you for real  
Actin' like you just don't care?  
It's the things you do and the things you say  
I just wanna know why you treat me this way

Baby, I'm not crazy  
You're actin' real, real strange and playin' foolish  
games  
You come home late at night thinkin' it's all right  
I just wanna tell you that you can't play with my heart

My heart  
Is puttin' out a call to your heart  
To stop messin' around, you better start  
Givin' me all your love, it gets me hype

Don't stop till you get it right

Is it fact or fiction?  
Or maybe it's another rendition  
Of the same old song that you used to sing  
Bringin' me flowers and diamonds

Don't stop till you get it right

Like PT used to say  
A sucker born each and everyday  
But I'm not the one that's gonna sit around and be used  
by you  
I just wanna tell you that you can't play with

My heart  
Is puttin' out a call to your heart  
To stop messin' around, you better start  
Givin' me all your love, it gets me hype

You are my lover and there is no other  
Are you steppin' out on me?  
I give you direction and affection  
But you gotta do the right thing by me

You ain't nothin' but a hound dog  
Don't stop, don't  
Don't, don't, don't stop  
Don't, don't, don't, don't stop till you get it right

I'm comin'  
You ain't nothin' but a hound dog  
I'm comin'  
You ain't nothin' but a hound dog  
I'm comin'  
You ain't nothin' but a hound dog

I'm comin'  
You ain't nothin' but a hound dog  
I'm comin'  
You ain't nothin' but a hound dog

I'm comin'  
You ain't nothin' but a hound dog  
I'm comin'  
You ain't nothin' but a hound dog

You are my lover and there is no other  
Are you steppin' out on me?  
I'll give you direction and affection  
But you gotta do the right thing by me

My heart  
Is puttin' out a call to your heart  
To stop messin' around, you better start  
Givin' me all your love, it gets me hype

My heart  
Is puttin' out a call to your heart

To stop messin' around, you better start  
Givin' me all your love, it gets me hype

Don't stop, don't stop, don't stop

You think you're Romeo  
But you don't really know  
You're runnin' with so-and-so  
You're a rookie and it shows

You think that you got my mind  
But my heart and my soul is fine  
Just step and get in line  
To a groove that's right on time

Just step, baby  
Just step and get in line  
Just step  
To a groove it gets me hype

Just step, baby  
Just step and get in line  
Just step  
It gets me hype

My heart  
Just step  
Is puttin' out a call to your heart  
Just step

My heart  
Just step  
Is puttin' out a call to your heart  
Just step  
To a groove and get in line
