When I'm walking down the street I call your name
Inside my head I go insane
Don't you know that it's really making me crazy
There were days when I went completely blind
No time to think and I lost time
Won't believe what's happened to me lately

[BRIDGE:]

Cos everyday it's the same day
Different faces with no names, places I've never been
before
And everyday it's the same thing
Different faces with no names, places I've never been
before

[CHORUS:]

And I begin to wonder (don't you know that it's really
making me crazy)
And I begin to wonder (won't believe what's happened
to me lately)

And every time I think I'm breaking free
These thoughts return to trouble me
Hanging on to love has left me empty
You're a sinner but you told me you're a saint
Too fast I tripped and lost my way
Can't believe what's happened to me lately

[REPEAT BRIDGE]

[REPEAT CHORUS]

[REPEAT BRIDGE]

I wonder why... [x4]

Walking...
I wonder why [x4]
I'm not over you...

[REPEAT CHORUS]

[REPEAT BRIDGE]

And I begin to wonder
