I follow you around
It's like I'm trippin'
I don't know why I do

It's just a thirst
And I'm drunk on the addiction
It tastes so good and ooh

I, I, I, I, I, I, I, I can't find the words
I'm tongue tied and it's getting worse
So let me spit it out 'cos you should know

Just for the record, I dig you
Just for the record, I'm after you, you
Just for the record, it's me who's
Gonna track your body down
Let me catch you, you, you, you

It's in the chase and I'm good
But if you said yes
I wouldn't know what to do

I get so close
Then my damn body freezes
Let me try again, ooh

I, I, I, I, I, I, I, I can't find the words
I'm tongue tied, so bad it hurts
So let me spit it out 'cos you should know

Just for the record, I dig you
Just for the record, I'm after you, you
Just for the record, it's me who's
Gonna track your body down
Let me catch you, you, you, you

Just for the record, I dig you
Just for the record, I'm after you, you
Just for the record, it's me who's
Gonna track your body down
Let me catch you, you, you, you

I follow you around
It's like I'm trippin'
I don't know why I do

It's just a thirst
And I'm drunk on the addiction
It tastes so good and, ooh

I, I, I, I, I, I, I, I can't find the words
I'm tongue tied and it's getting worse
Oh, God

Just for the record, I dig you
Just for the record, I'm after you, you
Just for the record, it's me who's
Gonna track your body down
Let me catch you, you, you, you

Ooh, ah, ooh, oh, ah
Ooh, ah, ooh, oh, ah
