Must've been a time when, yeah  
Must've been a time when you were all mine  
So let me tell you  
It went like this

Was it real? Did I imagine it?  
Something I created in my head?  
When we sat on my bed  
And you said, ?Baby, baby?

Were you teasing when you called my name?  
(Call my name)  
I felt love, I bet you felt the same  
When you sat on my bed  
And you said, ?Blah, blah, blah, blah?

Must've been a time when you were all mine  
Something came between us  
Over and over in my mind  
Trying to find a reason, I can't take it back  
Where has the love gone?  
Going, going, gone

(Going)  
Going, going, gone  
(Going)  
Going, going, gone

Now I know that it was all a game  
(All a game)  
I bet you told your next doll the same  
When you sat on her bed  
And you said, ?Blah, blah, blah, blah, blah?

Must've been a time when you were all mine  
Something came between us  
Over and over in my mind  
Trying to find a reason, I can't take it back  
Where has the love gone?  
Going, going, gone

No!

Must've been a time when you were all mine  
Something came between us  
Over and over in my mind  
Trying to find a reason, I can't take it back  
Where has the love gone?  
Going, going, gone  
Going, going, gone

(Must've been a time when)  
He said he loved me  
(Over and over)  
He was my baby  
(Must've been a time when you were all mine)  
No he don't love me  
(Over and over in my mind)  
I don't know why

Must've been a time when you were all mine  
Something came between us  
Over and over in my mind  
Trying to find a reason, I can't take it back  
Where has the love gone?  
Going, going, gone

Must've been a time when you were all mine  
Something came between us  
Over and over in my mind  
Trying to find a reason, I can't take it back  
Where has the love gone?  
Going, going, gone

Must've been a time when you were all mine  
Something came between us  
Over and over in my mind  
Trying to find a reason, I can't take it back  
Where has the love gone?  
Going, going, gone
