Hold me tight
When Iâ€™m feeling down
I fear the night
When youâ€™re not around

Kiss me when the morning comes
Leave the taste of you
Iâ€™m waitin for daylight
I will, Iâ€™ll wait, for you

Chorus:
The good times that we share
For all the love, that you give me
I may not be a perfect girl
But in my weakest hour
Youâ€™re the air that Iâ€™m breathin
Like the moonlit, sky, above
The good times that we share
Cos when Iâ€™m with you
I feel so alive

Iâ€™ll never find
Someone betta than you
Donâ€™t leave me behind
After all weâ€™ve been through

Kiss me when the morning comes
Leave the taste of you
Iâ€™m waitin for daylight
I will, Iâ€™ll wait, for you

(Chorus)

Feel so, feel so, feel so alive (x 4)

When Iâ€™m with you
I feel so alive
Feel so, feel so, feel so alive

(Chorus)
