Hallucination is a state of mind

Hallucination, hallucination
Hallucination, hallucination
Hallucination, hallucination
Hallucination

Hallucination, hallucination

Love me, hold me
Love me, hold me
Love me, hold me
Love me, hold me

My inner world of fantasy
Opens up for all to see
Dreaming of you here with me
Eyes and hands engulfing me

Inhibitions leaving us
Expressing powers lead by lust
Watch me wait if you can stand it
Try my taste, too much to handle

Hallucination, hallucination

Body, mind, combine as one
Unified, we've just begun
Wrapped up in the world of love
Forgetting all despair

Communication, concentration
Touching worlds, hallucination
Take me now to somewhere new
Anywhere to be with you

Hallucination, hallucination

Love me, hold me
Love me, hold me
Love me, hold me
Love me, hold me

Love me

Multitude of mysteries
Unfold before your eyes
Pledge yourself to secrecy
Cover up the lies

Fearless in your passion
Thoughtless of your fear
Safely hide it all inside
Confusion getting clear

Hallucination, hallucination
Hallucination, hallucination
Hallucination, hallucination
Hallucination, hallucination
